

**UNIT 33**

Student Worksheet

Europe

**Site and Situation**

1. Explain in your own words what site and situation are. \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

2. Site or Situation? Decide whether each of the following is part of a place's site or situation, and circle the correct answer.

- |                             |      |           |
|-----------------------------|------|-----------|
| dark, fertile soil          | Site | Situation |
| across river from town      | Site | Situation |
| level land for building     | Site | Situation |
| good well water             | Site | Situation |
| upwind from swamp           | Site | Situation |
| far from enemy camp         | Site | Situation |
| downstream from rapids      | Site | Situation |
| close to supply routes      | Site | Situation |
| no local building materials | Site | Situation |

3. Do you think A, B, C, or D has the best site? Why? \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

4. Do you think A, B, C, or D has the best situation? Why? \_\_\_\_\_

\_\_\_\_\_  
\_\_\_\_\_

5. Write a short paragraph recommending one of the four locations for a fort in the mid-1500s. Be sure to use the ideas of site and situation to explain your recommendation.
